MLGC Golfer of the Month

STEPHANIE DELOZIER HEGARTY

When did you join the club? My family has been members since the 1980's. Some of my favorite high school memories were spending days at the pool with friends and ordering burgers from the kitchen!

What got you started in golf? On a Thursday night in June of 2024 Debbie Smith, Lana Jurgensmeyer and Cassi Hilton invited me out one night to play golf with them. I was reluctant, but Debbie can be very convincing! Two days later I bought my own set of new clubs, started watching 'how to' golf videos and joined the Ladies After Work leagues that following Monday!

What do you love most about being part of our golf community? The Golf Gals in the Monday night After Work League have become my second family! This group has a wide range of ages and golfing experience but everyone is so supportive and we have a great time each and every week! I firmly believe that learning to play golf with this ladies group is what hooked me into the sport and the community. I am officially obsessed and play every chance I can get!

What's the best round you've ever shot? I would have to say the round that I got my HOLE IN ONE! That's right, in May of 2025 less than a year after picking up a club for the first time I got a Hole In One on a course in Branson while there playing with friends. To be honest... I didn't realize how big of a deal it was until I learned some of the guys I was playing with have still never got one and they have played for many many years. I know it was pure luck.... but it sure is a fun story to tell!

Favorite club in your bag? That depends on the day. Lately I can't seem to hit my driver so my 4 hybrid is my favorite club because it gets me back in play!

What's the strongest part of your game? At the moment I'm hitting my hybrids pretty good... but now that I've said that I will probably jinx myself.

If you could play a round with anyone (past or present), who would it be? My favorite golf partner is Michael Urish. We starting playing golf together on our first date in October of 2024 and since then we have played over 16 courses across the country and play every chance we can get all season long. We are excited to play in the first Annual Mike Keith Insurance (MKi) Golf Classic on June 12 at Meadowlake to raise funds for the MKi Scholarship fund. I would love to see all of the Clinton Community golfers out there to have fun on the course and support a good cause.

Best piece of golf advice you've ever received? Golf is a game that takes a lot of patience and time to really figure it out. Don't compare yourself to others, just keep working on improving your own game! Oh.... and it only takes about one good shot a round to keep you coming back!

Music on the course, yes or no? It doesn't matter to me. Depends on the day and the mood!

April 11 - The Masters at Meadow Lake

April 25 - Grounds Keepers Revenge Tournament

Robert's Range Report

Course Superintendent & General Manager

Hello, Meadow Lake Family,

Happy Easter! It's a great time of year because Easter means it's April, and April means it's time to kick off golf season. And I know that makes everyone ecstatic. Let's goooo!

We are excited to welcome everyone back to the club for a spring, summer and fall filled with great course conditions, fun events and an exciting golf experience on our beautiful home course. Before getting into the details, I'd like to recognize a few members of our Meadow Lake family. First, congratulations to Dave Garnett on his retirement from Hawthorn Bank. Dave is highly regarded in our community and has done so much to support others in our tight-knit town. He will certainly be missed, but we hope this gives him more time to enjoy the golf course. Thank you, Dave, and congratulations from all of us at Meadow Lake.

In his place, the bank welcomes Dillon Oder. Dillon and his wife, Jodi, have joined the club, and I've had the pleasure of spending time with them at Meadow Lake events. They are incredibly kind, and I'm proud to call them friends. Please help us welcome them to the Meadow Lake family.

I would also like to thank our corporate partners. Their support allows our staff to provide the best experience possible. Please thank them when you can:

Hawthorn Bank, Golden Valley Memorial Hospital, Jim Falk Motors, Mike Keith Insurance, Helm Plumbing, and Cover & Hilton Law. Your support makes this work rewarding, and we truly appreciate it.

As the golf season begins, it's time to renew memberships. Many have already taken advantage of our new rates. If you haven't, feel free to call the clubhouse for details.

A couple reminders:

- **Pay in full and receive a 15% rebate.**
- **Refer a new member and receive one month off your dues.**

We are committed to growing our community and sharing this game with friends and neighbors. Meadow Lake is the place to be in 2026 and beyond. Our board of directors, staff and I are working hard to make this the best course in town and across western Missouri. Big goals, but achievable with your continued support.

We have a full April schedule to kick off the season:

- **April 6 — After-work women's league**
- **April 7 — Women's league**
- **April 8 — Men's league**
- **April 10 — Skins Night**

Robert's Range Report Cont.

Skins Night starts strong, as each hole will be worth \$250 on opening night, with the pot rolling over if no one wins.

An update for “Nine & Wine,” the couples event will begin the following Sunday, as many will be watching the final round of the Masters on April 12.

Be sure to join us April 11 for our Masters watch party. The social committee has planned a great event featuring Augusta-inspired food and drinks.

Our first tournament of the season is April 25, the Groundskeeper Revenge Tournament. My team and I will be creating some fun (and slightly diabolical) challenges across the course. Sign your teams up now, as it's going to be a great kickoff event.

We'll also host a Kentucky Derby watch party with games, prizes and a fancy hat contest, which I fully intend to win!

If you haven't made it out to the course yet this year, you're in for a pleasant surprise. The course is vibrant, green and full of life. We put in a tremendous amount of work this fall and winter, and it's showing. It's not perfect, perfection is always the goal, but we're off to a strong start. I'm incredibly proud of our staff and thankful to our board for the opportunity to lead such a hardworking group. We welcome your input. If you have ideas or see opportunities for improvement, please reach out or stop me on the course.

Regarding the ash trees we've removed, you can donate a tree to help improve the course. I am currently sourcing from Fast Growing Trees, though donations are your choice.

We've added fir, spruce and pine trees through the Missouri Department of Conservation, along with two 8-foot trees, a Japanese red maple and a sycamore. Larger trees will be planted on the course this fall, while smaller ones will grow in a nursery near the maintenance barn.

Special thanks to Mrs. Honeycutt for donating the castle rock for the nursery border.

We are also planning a workday, tentatively April 16, to trim low-hanging limbs and continue course improvements. A member meeting will follow to share future plans and gather feedback.

It is truly an honor to serve this community, and I will continue to give my all.

Thank you sincerely,

R
