MLGC Golfer of the Month

ROSE SMITH

How long have you been golfing? About 40 years.

Best score you've ever shot? The best score I ever shot was a 74, which two over par.

Favorite golf club in your bag? My driver is my favorite club. I have the most confidence in it.

Funniest thing you've seen happen on a golf course? On a South Carolina golf course with my sister-in-law, Donna Pitts, was the funniest thing I've seen. She was sitting in the golf cart by herself and a squirrel jumped in with her. She got so scared that she went to jump out, but fell and rolled several times. I laughed so hard once I realized she wasn't hurt!

Dream golf destination? Pebble Beach would be my choice for a golf destination.

Early morning tee time or afternoon round? I'm definitely an afternoon girl.

What's your go-to snack or drink during a round? Diet Coke! There will always be a Diet Coke in my cupholder.

Who taught you how to golf? I'm not sure if anyone taught me to golf, but I've always been around good golfers. Harold Eversole, or "H," would always help me with a lesson or two.

Favorite golf memory? My favorite memories are on the golf course with my brother Ron and Donna, we always had so much fun.

If you could golf with any celebrity or pro golfer, who would it be? I would always pick my daughter, Teresa, and son, Garrett, to play golf any day of the week over any celebrity or pro! I love playing golf with both of my children.

Sundays - Nine & Wine League @ 5:00 p.m.

Robert's Range Report

Course Superintendent & General Manager

Hello Meadow Lake Family,

Wow! We are off and running, and it's already June. My gosh, there is so much to do and so much to get done, but I want everyone to know that I am having the time of my life. Aside from raising my children, I've never done anything this fun or fulfilling, and I've done a lot of things over the years.

At this time, and in this forum, I want to especially thank someone very dear to me. You all call him "Rook," but to me, he's always been Mr. Gary. Since I met him about 15 years ago, that's what I've called him, and even when he hired me a year and ten days ago, he was still Mr. Gary. He has always earned and deserved that respect from me.

Over the past year, he has taught me so much. He has been patient, kind, and encouraging, even though he has forgotten more about my two jobs than I currently know. He teaches gently, and throughout this transition he has been incredibly respectful. Even though his student is technically his boss, he just keeps grinding away every day. I am blessed to have him as my mentor, teammate and friend. He has truly made it possible for me to experience the success I've had so far, and I will continue to use everything he has taught me to build a strong foundation for my future and the future of Meadow Lake Golf Club.

Thank you, Mr. Gary.

I also want to thank all of our staff, both on the course and in the pro shop. Everyone works together to allow me to lead both departments from the front, and I am truly grateful. The crew on the course has been working miracles. It's supposed to be "April showers bring May flowers," but 2026 clearly didn't get the memo. It has been incredibly wet, yet our staff has been careful, conscientious and dedicated to keeping everything maintained. While we're not quite at the standard I ultimately expect, the quality of work has been outstanding considering the weather conditions we've faced. Great job, everyone, and thank you.

Before I break down our busy June schedule, I want to thank everyone who helped make our tournaments and events so successful throughout a very wet May.

First and foremost, my apologies to the Clinton Police Officers Association. Unfortunately, we had to postpone their tournament due to weather, but we were able to find a rescheduled date that works for everyone, which is not always easy. Mark your calendars for August 15, 2026, because we're going to have a great day supporting the men and women who protect and serve our community.

A big thank you also goes to Mrs. Tracy and everyone involved with the Deepwater Harvest Picnic Tournament. That was the very first tournament I had the privilege of running, and it went off without a hitch.

Robert's Range Report Cont.

Memorial Day brought us the Fat Fisher Open, and the Huff family did a phenomenal job organizing an event that is near and dear to their hearts. The one-man scramble format was a unique and fun concept, everyone had a great time, and I even got to cook for everyone, which I absolutely love doing. We will definitely make that event a tradition. Included in this newsletter are photos of the two completed bridges that the Fisher Open helped fund.

Last but certainly not least, we had a fantastic time hosting the Clinton High School Cheerleaders Tournament this past weekend. This event serves as their primary fundraiser for the year, and it was a tremendous success for both the cheer program and the golf club. We continue to improve our tournament operations, and each event gets a little better than the last.

We'll continue putting our well-oiled machine to the test because June is packed with events.

This first week, we host the West Central Realtors Association Tournament on Friday, followed by the Spring Fling on Saturday, June 6, benefiting the Meadow Lake Social Club.

The following week starts with a bang as we host our first Junior Golf Academy under my leadership. I have assembled a great group of instructors, including myself, to provide our young golfers with plenty of education, encouragement and fun. The two-day academy will conclude with a Drive, Pitch & Putt competition and a pool party.

That Friday, we host the Mike Keith Insurance Tournament, which has been nearly a year in the making and promises to be an incredible event. One highlight will be a \$10,000 Hole-in-One challenge on Hole #6. Steph D. and her team have done an amazing job preparing for this tournament, and it's going to be a great time.

On Saturday, June 13, we host the Elijah Hurt Tournament, another outstanding event supporting a wonderful cause.

Later in the month, we'll welcome Dr. Gus and the Boy Scouts of America. I always enjoy working with Dr. Gus, and we'll have a great Father's Day weekend event.

I also want to recognize the Eagle Scouts who came out on Sunday to build flower beds as part of Brody Booth's Eagle Scout project. They did an outstanding job and helped make our club even more beautiful and vibrant.

I remain committed to continually improving our course and facilities. We'll keep tackling projects one at a time, including removing those dead ash trees. Don't worry, I haven't forgotten about them. They are the bane of my existence, but I promise their days are numbered.

We have many exciting projects ahead, and I couldn't be more thankful for the support of our Board of Directors, our staff and all the members and patrons of our great club.

As always, if there is anything you need or any suggestions you'd like to share, please don't hesitate to reach out. You know where to find me.

All My Love,

R
