Robert's Range Report

Course Superintendent & General Manager

Dearest Meadow Lake Family,

We're off and running with the golf season, and what a joy it has been. Thank you to everyone who made our first events so fun and memorable. The Groundskeepers Revenge Tournament was our new administration's first tournament, and while it was a big win, my staff and I learned a lot about how we can improve. As an old coach once told me, "It's easy to learn when you play poorly, but we want to learn what to improve even in a win." I promise we'll keep building on that momentum and get better every day. A big thank you as well to our league night participants. We've had great turnouts, fun competition and some big winnings. Let's keep growing these nights and bringing more golfers into what makes our club special. As we continue improving the course, I want to emphasize one of Meadow Lake's greatest strengths, our close-knit, kind and respectful community. That's something truly special, and I never want us to lose sight of it. I love this place and the people who make it what it is, so let's keep building it together.

May is packed with exciting events:

- May 16 – Deepwater Harvest Picnic Tournament (bigger every year and a lot of fun)**
- May 23 – 2nd Annual Clinton Police Officers Association Tournament (a great cause, so please come support the men and women who serve our community)**
- Clinton High School Cheerleaders Tournament – Let's show up for these athletes who bring energy and spirit to our teams**

We'll also continue our weekly leagues with fun formats, competition, and growing traditions, whether it's grilling, food from Holly's kitchen or the famous Susie Salad potluck. We may not do it every week, but it's becoming something special.

Robert's Range Report Cont.

And if May sounds busy, June is going to boom:

- **June 5 – Realtor Tournament**
- **June 6 – MLGC Social Club Fundraiser**
- **June 12 – Mike Keith Insurance Tournament**
- **June 13 – Elijah Hurt Memorial**
- **June 20–21 – GSW Memorial Tournament (one of my favorites)**

We're also launching our first annual Junior Golf Academy (June 16–18). This is a three-day program focused on rules, etiquette and fundamentals, ending with a drive, chip and putt competition plus pool time. Call or stop by the pro shop for details.

Our maintenance staff has been working incredibly hard to make the course more beautiful and playable. We still have work to do, but their dedication shows. To me, this course is art, every blade of grass, flower and tree coming together into something special.

Special thanks to the crew who sodded tee boxes on 17 and 7, and to Wes Hilton and Jack Wetzel for their work on the #1 approach. With leftover sod and zoysia, we're even building a grass nursery to help eliminate bare spots in the future.

I'm truly enjoying this role and growing every day. I'm always open to suggestions, so please don't hesitate to reach out. While I hear many kind words, I know I'm nothing without this incredible community, our board and all of you who support the club.

Let's keep enjoying a great spring, summer and fall of golf. There's no better way to spend life... well, maybe surfing, but that was another lifetime.

As always, thank you, and you know where to find me.

**Love,
R**
