MLGC Golfer of the Month

GRAYSON & AVERY GILLIS

AVERY

WHAT GOT YOU STARTED PLAYING GOLF? MY FRIENDS PLAYED.

WHAT PART OF YOUR GAME ARE YOU CURRENTLY WORKING TO IMPROVE? CONSISTENCY WITH MY DRIVER.

WHAT'S THE BEST GOLF ADVICE YOU'VE EVER RECEIVED? KEEP MY HEAD DOWN.

WHAT'S ON YOUR GOLF BUCKET LIST? NICE IRONS.

IF YOU COULD PLAY GOLF WITH ANYONE, (PAST OR PRESENT) WHO WOULD YOU PICK? TIGER WOODS WOULD BE PRETTY COOL.

GRAYSON

WHAT GOT YOU STARTED PLAYING GOLF? MY DAD TOOK ME WHEN I WAS A LITTLE KID.

WHAT PART OF YOUR GAME ARE YOU CURRENTLY WORKING TO IMPROVE? CHIPPING BETTER AROUND THE GREEN.

WHAT'S THE BEST GOLF ADVICE YOU'VE EVER RECEIVED? CHANGING MY GRIP TO INTERLOCK HELPED ME A LOT.

WHAT'S ON YOUR GOLF BUCKET LIST? PLAYING AT PEBBLE BEACH OR AUGUSTA NATIONAL.

IF YOU COULD PLAY GOLF WITH ANYONE, (PAST OR PRESENT) WHO WOULD YOU PICK? PLAYING WITH JOHN DALY HAS BEEN MY DREAM SINCE I WAS A KID.

Robert's Range Report

Course Superintendent & General Manager

Good Day, Meadow Lake family!

I hope everyone is beating the heat. It has been scorching for the past couple of weeks, and it has taken quite a toll on our beautiful golf course.

If you haven't heard, we were without water in earnest for nearly two weeks because of major issues with our large variable-speed pump and our smaller, tried-and-true backup pump. I want to thank all of our staff and board members, it truly was an all-hands-on-deck effort.

The board worked together to find a new motor for the large pump and a new-to-us replacement for the smaller pump. A special thank you to board member Marc Helm and his team, who went above and beyond to help get everything up and running. A big thank you as well to Sean Custer and his team. Their knowledge and expertise helped guide us in the right direction, and they also pitched in with the work.

In the meantime, we hand-watered the greens with a 500-gallon water trailer. It wasn't very efficient, but it was the best we could do in an emergency, and I truly believe it saved the golf course. No greens, no course!

Please bear with us as the course recovers. Two-plus weeks of 100-degree weather with very limited water is significant trauma for a golf course. You will notice some of the effects in areas of the course, but I am doing everything I know and everything within my power to bring it back. It is slowly but surely improving, and we thank you for your patience and continued patronage.

Looking Back at August

August was a great month here at the club.

Hosting the Missouri State Elks Tournament was a tremendous thrill and a great learning experience for myself and my crew. Our focus was on efficiently and organizing the movement of hundreds of golfers, and I believe we did a great job. A fun time was had by all, and we were treated to a PGA-type experience during the battle for the win in the final pairing on Sunday here at Meadow Lake.

Thank you to Ryan DeHaan and the Clinton Country Club. It was a pleasure working with him again, and I think both clubs put their best foot forward in representing our wonderful community here in Clinton and the Western District of Missouri Elks.

A huge thank you to all of the volunteers who helped make the tournament such a great experience, especially the ladies of our social committee. You all are rock stars! There is so much you do behind the scenes to make Meadow Lake such a great place, and I am truly thankful.

Robert's Range Report Cont.

While the Missouri State Elks Tournament was a major event and a chance to showcase our course to golfers from across the state, we also had the pleasure of hosting the Clinton Police Officers Association Tournament and a very meaningful Veterans Tournament.

The CPOA Tournament, which was rescheduled from May, had an impressive turnout despite the change in date. It was the second annual tournament, and we look forward to watching it grow in the years ahead. It is a very noble cause, and it was a pleasure to work with and host the men and women who protect and serve our community.

The Veterans Tournament also had a great turnout and was especially meaningful to me as a veteran of the United States Navy. It can be a mixed bag of emotions to relive those times, but I am very proud of what I accomplished as a sailor and grateful for the experiences and people who shaped my life.

It is important that we remember and honor those who have defended our freedoms and continue to serve.

Thank you, Andy E., for all your hard work. We rocked it and put on a great tournament for our veterans while raising some very good money for the cause.

Thank you to everyone who participated in both tournaments. Your support means a lot to these organizations, and we can't wait to do it again next year!

September at Meadow Lake

September has a lot in store for Meadow Lake as well.

Don't miss the Labor Day Two-Person Scramble! We'll have a 1 p.m. shotgun start, lots of games, closest-to-the-pin contests, longest drive and more. We'll also have a cookout, I'll throw some meat on the grill, and we'll have a great time.

If you don't have a team registered for the Clinton Firefighters Association Tournament, please get signed up. It will be a four-person scramble on September 12. Although it is being held on the 12th this year, it is a 9/11 Memorial Tournament honoring the first responders who risked their lives that day and those who continue to put their lives on the line every day.

This tournament is very important, and I hope we have a great turnout of golfers supporting this cause. On September 23, Missouri State Representative Jim Kalberloh will host a fundraising tournament here at Meadow Lake. I look forward to working with him, it will be my first campaign engagement, lol. Sandwiched in between is our club favorite: the Ryder Cup, a highly competitive and highly entertaining event that is always a great time.

Robert's Range Report Cont.

Looking Ahead on the Course, if you remember last year, there were plenty of things happening around the course while you were trying to get your fall rounds in. This year will be no exception!

We will be planting another round of fairway bluegrass across all 18 holes. In the first 20 feet of rough, we will be planting Bermuda seed.

At the same time, we will be double-verticutting the greens and planting a different, stronger, more heat-resistant bentgrass called T7.

We will also be working to change our tee sheet and point-of-sale system to enhance the member experience and improve the quality of everything happening at the club.

There is lots more coming, but right now I am up against the clock. It's noon, and it's time for me to hand-water the greens!

As always, if you need anything, please never hesitate to pull up on me. You know where I'll be.

Stay hydrated and be safe in this heat, but do still come out and golf!

Have a great day and a great month!

Always Love,

R
